

CAREERSOURCE SOUTH FLORIDA INVITES YOU TO ATTEND

The 2020-2024 WIOA Local Workforce Plan presentation to the community

South Florida Workforce Investment Board dba CareerSource South Florida will host a 2020-2024 Workforce Innovation and Opportunity Act (WIOA) Local Workforce Plan Community Forum. Community Forums provide a platform by which to present and enable the community to comment on the Local Workforce Plan.

CareerSource South Florida is a public/private partnership responsible for initiating federal and state funded workforce development policies in Miami-Dade and Monroe counties. We are committed to building a world class economy by cultivating a talent supply that meets the demands of the industry.

In order to continue successfully serving the community, we are requesting your comment on the 2020-24 WIOA Local Plan. The local plan is a four-year roadmap that will be used to improve in areas where needed and to continue developing and building on those that are doing well.

We value your feedback and would very much appreciate your taking the time to attend a Community Forum being held at the following locations throughout Miami-Dade and Monroe Counties:
